CENTRAL INTELLIGENCE	OROUP SOLVER	25X1

for the crews of Soviet ships are as follows: (a) the crews contain members transferred from ships which are transporting war material (type unstated); (b) the crews are brought from localities where fortifications are being built: the Kuriles, Sakhalin, Kamchatka, and Korea; (c) the Soviets do not want any possible leakage of military information in connection with the broad program of defense being carried on by them in the Far East. These are military regulations, the violation of which is a court martial offense.
